

RANDOM ORBIT SANDER

RO 5 BRUSHLESS

ADVANTAGES

- 7 Speeds digital regulator : 4000/ 5000/ 6000/ 7000/ 8000/ 9000 & 10.000 rpm. To adapt te working speed to the surface to be sanded or polished.
- Tacometer to keep a constant speed even under heavy work loads to avoid the tool stopping.
- 5 mm orbit, for a perfect sanding finish.
- Powerful 400W brushless motor (without carbon brushes)which increases the tool's lifespan while making it more powerful and lighter, sutiable for intensive sanding on any kind of surface: wood, metal, stone. Ideal for carpentry and woodworking jobs, bodywork, and Corian counters.
- ø150 mm plate with 15 vacuuming holes for an optimal, safer and cleaner workplace.
- Paddle switch and anti-sliding handle, for maximum comfort while working while being safer as the tool stops as soon as the user releases the handle.
- Lightweight, close to 1 kg, and ready for dust extraction.
- Symetrical structure, makes the tool useable with both hands indistinctively, reducing effort and fatigue while making the work easier .

DATA SHEET

Power	400	W
No load speed	4000 - 10000	min ⁻¹
Plate diameter	ø150	mm
Orbit	5	mm
Weight	1.28	kg

INCLUDED

- Self adhering plate
