

## BENCH GRINDER ø200 mm

### EP 200 B

#### ADVANTAGES

- Portable bench grinder with powerful S1 induction motor (continuous duty), low noise and low vibration.
- Sealed ball bearings for long and quiet motor life.
- Robust compact design with cast iron construction.
- Safety-standard electromagnetic switch for easy start-up and quick stop.
- Two ø200 mm aluminium oxide grinding wheels, one for grinding and one for roughing, for work on all types of materials.
- Tool-free adjustable holders for positioning the workpiece.
- Transparent protection against projections during work. Protects the user from sparks, chips and grinding waste.
- Anti-slip and anti-vibration rubber feet.
