

SDS-PLUS ROTARY HAMMER HD 6 DK

ADVANTAGES

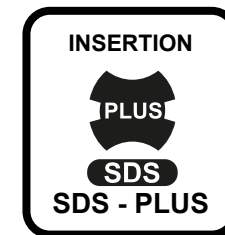

1050W rotary hammer with SDS-PLUS insertion, with 4 functions:

1. Rotary: for metal, wood and plastic.
 2. Impact rotary: for construction materials.
 3. Chiseller: for stone and construction materials.
 4. Vario-Lock built-in system to adjust the chisel position while the rotary hammer is in chiseller mode.
- Electronic speed regulator to better adapt to each task.
 - VAT™ Vibration absorbing technology handle. The tool absorbs vibrations for comfortable long periods of work.
 - The adjustable auxiliary handle allows the user to adapt to each work and to safely reach hard areas. The depth regulator enables maximum precision.
