

## CORDLESS IMPACT WRENCH

### IW L20

#### ADVANTAGES

- 18V cordless impact wrench, with a powerful 887 motor & an adjustable 400Nm tightening torque.
- 5 tightening torque settings: 100 / 150 / 200 / 300 / 400 Nm.
- Reversible to easily screw and unscrew without lifting the finger from the trigger.
- STAYER Li-ion HIGH-TECH Battery, from the L20 Series with overload, battery discharge, overheating and short circuit protections. LED battery level charge.
- Motor 887 solid construction with hard metal planetary gears.
- Ideal for vehicle wheels assembly, as well as construction scaffolds & structures directly screwed on concrete or wood.
- Safe and comfortable use thanks to the soft anti vibrations handle and gearbox case.
- Electronic brake and safety clutch to avoid accidents caused by excessive yanking while screwing.
