

## WALL CHASER DIAMOND BLADES

### CD 150 BK

#### ADVANTAGES

- Diamond blade wall chaser (ø150 mm) with powerful 2400W motor.
- Prepared to use up to 4 diamond blades simultaneously. With 4 discs, 25 mm grooving does not require the use of a chisel, while 35 mm chipping greatly reduces the need for a chisel depending on the material.
- Variable groove system with 10 3mm washers, the machine can be adapted to the work to be carried out with different combinations of discs and washers, making it possible to create grooves from 7 mm to 35 mm.
- Adjustable cutting depth from 8 mm to 43 mm to adapt to all types of walls and jobs.
- Predisposed for dust suction, it is recommended to use it connected to an external vacuum cleaner.
- Easy change of brushes without disassembling the machine for continuous and uninterrupted work.
- Rectangular paddle switch with locking button for maximum working comfort.
- Soft start, which avoids jerking movements due to the power of the machine, facilitates the work and the safety of the user.
- Support roller for a firm and safe control over the chafing.
