

WALL CHASER for DIAMOND BLADES

CD 125

ADVANTAGES

- Double diamond disc wall chaser (ø125 mm) with powerful 1500W motor.
- Variable grooving system with 6 washers, the machine can be adapted to the work to be carried out with different combinations of discs and washers, which makes it possible to create grooves from 7 mm to 30 mm.
- Adjustable cutting depth from 3 mm to 29 mm to adapt to all types of walls and jobs.
- Overload control system: protects the machine against power surges by switching it off automatically. Once the power is restored, the machine is automatically reactivated after 1 second.
- Predisposed for dust suction, it is recommended to use it connected to an external vacuum cleaner.
- Easy change of brushes without disassembling the machine for continuous and uninterrupted work.
- Rectangular paddle switch with locking button for maximum working comfort.
- Soft start, which avoids jerking movements due to the power of the machine, facilitates the work and the safety of the user.
- Support roller for firm and safe control over the chafing.
- Ergonomic side handle.
