

WOOD PLANER

PH 82 C

ADVANTAGES

- 650W lightweight wood planer with a 82 mm cutting width, for flattening and levelling all kinds of wood surfaces.
- Belt transmission motor, reduces noise and vibrations while increasing the tool's lifespan.
- Front handle with cutting depth regulator adjustable by millimeter tenths from 0 up to 2 mm.
- Specially designed for hard wood surfaces.
- Built in vacuuming for continuous working. The tool can be connected to an external vacuum cleaner to keep the workplace clean.
- Ergonomic handles for a tight and safe tool holding while planing wood, leaving a perfect finish.
- 82mm blade easy replacement system.
