

## HAND WALL SANDER BUILT-IN VACUUMING

### HP 750 BE

#### ADVANTAGES

- 750W motor hand wall sander with a built-in vacuum system for dust extraction.
- Removes plastic paint, gotele and flattens plaster and drywalls.
- Vertical motor for a compact and ergonomic design.
- Designed to extract dust as it sands, it is ready to be coupled with an external vacuum cleaner.
- Lightweight, able to sand complete walls, it excels on corners and edge sanding, as well as hard to reach areas.
- Detachable carter to easily access edges and corners.
- 6 speeds regulator to match every task.
