

BAND SAW

SN 1435 B

ADVANTAGES

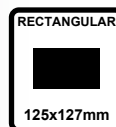

- Bench band saw with 1435mm saw blade for cutting all types of metal.
- 2 electronic speeds to adapt to the type of metal to be cut.
- High quality components for maximum strength and stability: arc made of cast aluminium and steel base.
- Powerful 1/2 HP single-phase motor.
- Maximum control over the cut: the tool has depth adjustment.
- Quick release clamp made of cast iron with a maximum capacity of 125 mm.
- Workpiece feed system in the vice to cut workpieces to the same size easily and quickly.
- Adjustable tilting head from 0 to 60° for bevel cuts.
- The tool has a locking mechanism for easy folding, storage and transport.
