

## ANGLE GRINDER

### SAB 1401 CE IND

#### ADVANTAGES

- Mini angle grinder with 1400W motor, specially designed for industrial applications.
- High quality and resistant components, specially prepared for heavy work in adverse environments.
- Electronic speed regulator to adapt the tool to all types of tasks.
- Constant speed under load by means of tachometer, the tool increases the power so as not to reduce the rpm when working on hard materials.
- External brush change, simple and fast for a greater fluidity in the work.

Auxiliary handle  
3 positions

Constant speed  
under load

Electronic speed regulator  
6 speeds
