

VACUUM CLEANER

VVAC 2060

ADVANTAGES

- 1200W professional vacuum cleaner with double HEPA filter for solids and liquids, specially designed to be connected to other tools to vacuum the dust they generate during work such as hand or wall sanders.
- Integrated power connection for tools (2200W).
- Automatic filter cleaning by vibration, increases the lifetime of the vacuum cleaner without the need for maintenance.
- Drain hose included for easy removal of liquids.
- The vacuum cleaner comes with a complete set of accessories including a set of 4 wheels for easy transport and handling of the vacuum cleaner.
- Industrial vacuum cleaner, HEPA filter allows suction of dust, pollen and dust mites as well as damp surfaces. It is resistant to corrosion and dirt.
